Immediate openings at H&T Battery Components Waterbury for a Junior Quality Engineer

Description:

H&T Waterbury is looking for a fresh candidate who is a team player to assist the Quality Manager in maintaining and improving the current ISO 9000 quality system & SPC system, while providing support to production & continuous improvement efforts through the use of statistical tools and other analytical equipment and resources. This highly visible position interacts daily across all organizational levels of H&T Waterbury's team. This hands on position requires attention to detail and provides the opportunity to progress towards Quality Engineer. If this description fits your skills and interest, your job responsibilities are not limited to but will include:

- Assist in improvements to the quality system including development and revision of control plans, procedures, work instructions and forms.
- Train personnel; conduct, coordinate and support quality system audits.
- Participate in Problem Solving teams, utilizing root cause analysis tools.
- Develop and update quality plans. Maintain accurate gage calibration records.
- Perform laboratory work to support Quality and Product Development.
- Use measurement devices and fixtures, to perform critical First Article testing.
- Champion DOE, SPC, Gage R&R and statistical analysis for process and product improvements.
- Plan, coordinate, and communicate project activities in the form of timelines, project plans, or status updates.

Qualifications:

- Bachelor's Degree or CQE preferred. Statistical familiarity.
- Recent college/university graduate and up to 3 years' experience preferred.
- Ability to communicate with all levels of management and personnel.
- Prepare and deliver effective presentations.
- Working knowledge of statistical methods, measurement systems, ISO 9000 quality system, problem solving tools.
- Experience in using a variety of measurement devices.

Benefits:

- Medical, Dental & Vision Insurance (DOH)
- Health Reimbursement Arrangement
- Flexible Spending Account
- Short & Long Term Disability
- 401k & Profit Sharing
- Tuition Reimbursement Program
- Paid Vacations & 10 Paid Holidays
